YOUR TEACHER...

'Canines Can Care' is the only canine organisation of its kind in India. The organisation has pioneered not only the concept of Assistance Dogs in the country, but also the concept of Search and Rescue Dogs. In fact, the 'Canines Can Care' search dog team was the only one representing India in the aftermath of the Gujarat earthquake.

Besides the above, "Canines Can Care" also conducts dog training courses for pet owners, offers behavioural advice for problem dogs, holds agility training sessions, runs courses on canine behaviour and is involved in pioneering many more dog related activities all over the country.

Canines Can Care has been involved with therapy dog work from 1995 in India. They have conducted sessions at the Army paraplegic rehabilitation Center, Pune; Spastics Society of India, School for the Blind, Mumbai; and various other schools, colleges and individuals in India over the years.

The founder of "Canines Can Care" – Shirin Merchant, will conduct the course.

She has been working in the field of canine behaviour and training from 1995 in India and is responsible for pioneering canine behaviour counselling, canine courses and canine educational events across India.

She is the only person in Asia to have an international accreditation from the Kennel Club of England's, Accredited Instructor scheme – the KCAI in Companion Animal training and in Behavioural Training. **The behavioural training accreditation makes her one of 9 people in the world who have achieved it.**

In 2015, Shirin was awarded the International Commendation for Trainer of the Year award by the Kennel Club of England's KCAI scheme at the Cruft's Dog Show in England.

In 2016, Shirin was invited to lecture at the Association of Professional Pet Dog Trainers (APDT) conference in Las Vegas. She is the first Indian to have been invited by this prestigious body to present at the conference.

In 2017, Shirin was invited to present at TEDx Gitam University.

In 2018, Shirin was awarded The First Ladies award and felicitated for being a pioneer in her field by The President of India at the Rashtrapati Bhavan.

Over the past 23 years, Shirin Merchant has trained over two thousand dogs with breeds ranging from the feisty Belgian Malinois to the shy Samoyed. She is in great demand with most of India's dog owners with problems regarding their pets. The problems have ranged from dominance, housetraining, chewing, aggression and destruction to boredom and compulsive behaviours.

All through the years, Shirin has worked hard to change the concept of dog training in India.
